The officers, directors and employees of the RWDC A do not necessarily agree with the opinions expressed in The Red Bloodlines. The RWDC A is in no way responsible for information contained in advertising in The Red Bloodlines.

As I wrap up my sixth year serving on the Red & White Dairy Cattle Association Board and my term as President; I want to take a moment to simply say thank you.

Serving this organization has been one of the most meaningful experiences of my professional life. The Red & White breed has always stood for more than color patterns or pedigree sheets. It represents people; passionate breeders, progressive thinkers, multigenerational families, and a community that believes in doing things the right way, even when it isn't the easiest way.

Over the past six years, I've had the privilege of working alongside an incredible group of board members, staff, volunteers, and breeders who care deeply about the future of this association. Together, we've navigated change and continued to strengthen the foundation that makes Red & White cattle and their people so special.

I'm proud of the progress we've made. From continued growth that positions our membership for long-term success to the engagement of our youth. None of this happens by accident. It happens because of people willing to invest their time, their energy, and their belief in something bigger than themselves.

Serving as President has been especially humbling. Leadership in this role is not about one voice or one vision; it's about listening, collaborating, and representing the best interests of a diverse membership. I've learned that the strength of this association lies in respectful dialogue, shared goals, and a willingness to adapt while staying true to our roots.

To my fellow board members that I've served alongside: thank you for your dedication, your candid conversations, and your commitment to doing what's best for the breed. To Carley, Tracy, and Sarah: your professionalism and behind-the-scenes work often go unseen, but it never goes unnoticed. You are the engine that keeps this organization moving forward.

And to our membership — thank you for your trust. Thank you for showing up at meetings, supporting sales, registering cattle, promoting the breed, and believing in what Red & White represents. Whether you're running a large operation, a family farm, or just getting started, your passion fuels this association.

As I step away from this leadership role, I do so with confidence in the direction we're headed and gratitude for the opportunity to have served. The future of the Red & White Dairy Cattle Association is bright, and I'm excited to continue supporting it, just from a different seat at the table.

Nick Randle

Association Updates

- NAILE - National Show for 2026
- No paper transfers accepted in 2026 at the shows. Must be done online and show online transfer prior to start of show.
- 125,000lb Cow Class being changed to 150,000lbs

Incoming President's Message

As we move into 2026, I am excited to take on the role of President. I want to sincerely thank Nick Randle for his years of dedicated service in this role—his leadership has been invaluable to our association.

It is clear that our members' continued support, passion, and involvement make the Red & White community stronger every year. Whether through nominations, sharing your enthusiasm, marketing Red & White cattle, or supporting fellow members, your contributions are what keep our breed thriving.

Looking ahead, we are excited to focus on strengthening our junior program and creating even more opportunities for young members to learn, grow, and showcase their skills. We have also made great strides in continuing to bring together the best Red & White cattle across the country at many approved and national shows. Each interaction strengthens our breed's legacy and helps celebrate the accomplishments of our members, both junior and open. Thank you for being an essential part of our association, and we look forward to another year of success!

Thank you,

Amanda Kuoener

From the Staff

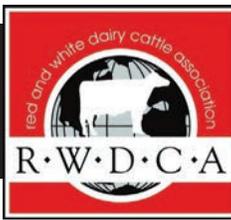

Thank you everyone for an outstanding 2025! The association and breed continues to grow in numbers, with the highest membership since 2019. We welcomed 406 new Junior members, comprising 2,070 Junior and 789 Adult members.

We want to say thank you again to everyone for your cooperation and support throughout the year at shows and events. A big thank you to all of the show staff for all of our approved and national shows. All of our shows ran incredibly smooth this year and it is because of those volunteers that make it all happen. We are proud of another successful International Elite - Red & White Edition Sale, All-American contest and successful junior programs for 2025.

Looking forward to 2026 our Board is excited to create new opportunities, new programs and changes with many fresh perspectives sitting on the BOD. If you have questions, comments, or ideas, please reach out to Carley and Tracy, we are here to assist and make RWDCA programs, shows and events better each year!

RWDC A ANNUAL MEETING MINUTES

2025 RWDC A Annual Meeting

Hyatt Regency Place-Nashville, TN

12/14/2025

Board Members Present: Nick Randall, Amanda Knoener, Stephanie Aves Schroeder, Tony Kohls, Robert Teixeira, Zach Tolzman, Kelly Reynolds, Steven Olt, RWDC A Staff-Carley Tolzman and Tracy Brandel

The meeting was called to order at 9:00 am. Following board introductions Tracy went over the Profit and Loss statement, highlighting a positive net balance of \$35,639.70 at the end of the year. Tracy expressed gratitude to members and sponsors for paying their membership dues and for supporting RWDC A in 2025. Tracy reported that the Elite International Sale made \$10,455. Membership dollars are up around \$10,000 and one hundred percent of membership was obtained at RWDC A approved show this year. There were 789 new Senior members and 406 new junior members in 2025. On the expense side Tracy reported that RWDC A provided cash awards to the National Shows in 2025 and that was well received by show committees.

The Secretary's report from last year's annual meeting was given by Amanda Knoener.

Tracy Brandel also gave the Membership report, she stated that they were going to move to a postcard for renewals.

Robert Teixeira gave the Sale Committee report, from the most recent Black Friday Sale there were 31 lots with an average of \$2,810. Robert reported that the sale went a little better not having it during WDE.

Stephanie Aves Schroeder gave the Show Committee report. The Show Committee hosted a zoom meeting for all the shows prior to show season starting in 2025 to go over RWDC A show policies. They will continue this in 2026. Stephanie reported moving forward that all transfers need to be completed online before the time of show and proof of transfer must be shown to show management, the Alternate Leadsperson guideline will be strictly followed in 2026, and the Junior Lease program is being evaluated for 2026. The show committee is wondering if they should align with HAUSA to follow their class list and the 125,000 pound cow class is moving to the 150,000 pound cow class.

Stephanie also gave the Junior Report, unfortunately for 2025 there were no RWDC A Ambassador applications and that program is being evaluated in 2026.

Carley Tolzman gave the All American contest report. The open contest was down 3 entries from 2024 and the junior contest was down 13 entries. The feedback on the online entry system was positive.

Nick Randall gave a board of directors report and three candidates were introduced for elections at a later date. Jarod Burleigh from PA, Isabel Hall Wadsworth from VT, and Katie Darnell from WI were all nominated. There will be an online election at a later date in 2026.

Nick Randall and Graisson Schmidt both completed their terms of office and the board thanked them for their service on the board.

Nick opened up the floor for Q&A, seeing none the meeting was adjourned at 9:33 am

International Elite Sale – Red & White Edition

The 2025 International Elite Sale – R&W Edition was held on Black Friday, Nov. 28, 2025, on countryclub.com. This year's sale was a huge success! This year's edition had a total of 31 lots sold for an average of \$ 2810. We sold lots to 12 different states and to the Netherlands. We would like to thank all the buyers and consignors for their interest in our breed and wish them success with their purchases.

Sale Highlights:

- 19 Embryo lots sold for an ave. of \$537per embryo
 - High Seller was Lot 9 3 #1 Dice-Red Embryos x Kress-Hill Sapphire-Red for \$1300/embryo purchased by Katie Martin of WI
- 2 IVF sessions sold for an Ave. of \$1900/session
 - High seller was Lot 7 IVF Session of Heatherstone Redhot-Red for \$2000 sold to Kyle Pundsack of MN
- 4 Choices sold for an ave. of \$4425
 - High seller was Lot 11 a 1 st Choice x Star-Ky-Blue Adelaid-Red for \$7100 sold to Darcy Green of MI
- 4 Live Animals sold for an ave. of \$3850
 - High seller was Lot 8 DRidge Alpha Hot Sauce-Red for \$6100 to Johnny Machado of CA.
- 2 Semen lots sold for an ove of \$625/unit
 - High seller lot was Lot 33 for 5 units of Conventional Believe-P Semen for \$650/unit to John Cannon of Iowa.

SCHOLARSHIP RECIPIENTS

Alexis Schultz

Alexis Schultz, daughter of Shane and Shannon Schultz, lives on Ranway Farms in Marion, NY. She grew up raising and showing Holsteins across New York State and at National Shows. In 2022 she exhibited the winning Red and White Spring yearling at the All American Dairy Show who was also named Best Bred and Owned. Ranway Sangria Delish-Red went on to be nominated

as Jr. All-American and All-American Red and White later that year. Alexis was also the exhibitor and co-owner of M-Divine W Lady Jane-Red, bred and owned by M-Devine Holsteins, who was named the 2024 supreme champion heifer at the All American Dairy Show and was the Reserve All American Red and White Spring Yearling. She continues to show registered Holsteins as well as Jerseys and most recently, Brown Swiss. Apart from her success in the show ring, Alexis enjoys participating in Dairy Cattle Judging. At the 2024 World Dairy Expo, she was named the top individual overall and in reasons as well a member of the winning New York State 4-H team. Aside from the dairy industry, Alexis is active as the President of National Honors Society, the Vice President of Student council, business club, a member of varsity outdoor Track and Field, and a participant of her county's livestock auction program. She will be attending the University of Wisconsin-Madison in the fall to pursue a Bachelor of Science degree in Dairy Food and Animal Management. She plans to continue showing dairy cattle at a national level, compete collegially in dairy judging, and become an active member of the Badger Dairy Club.

Sara Kennedy

Sara Kennedy is currently a student at Penn State University dual majoring in Animal Science and Nutritional Sciences. She plans to become a registered dietitian and work within dairy promotion after completing undergraduate. At college, she is also an active member of the Dairy Science Club and plays clarinet in the Pennsylvania State Marching Blue Band. Sara is from Columbia Cross Roads, PA

where she helps operate Ken-Am Holsteins with her mom and sister. They raise and show approximately 25 Holstein cows. Sara has been showing dairy cows from a young age and has always had a passion for Red & White Holsteins.

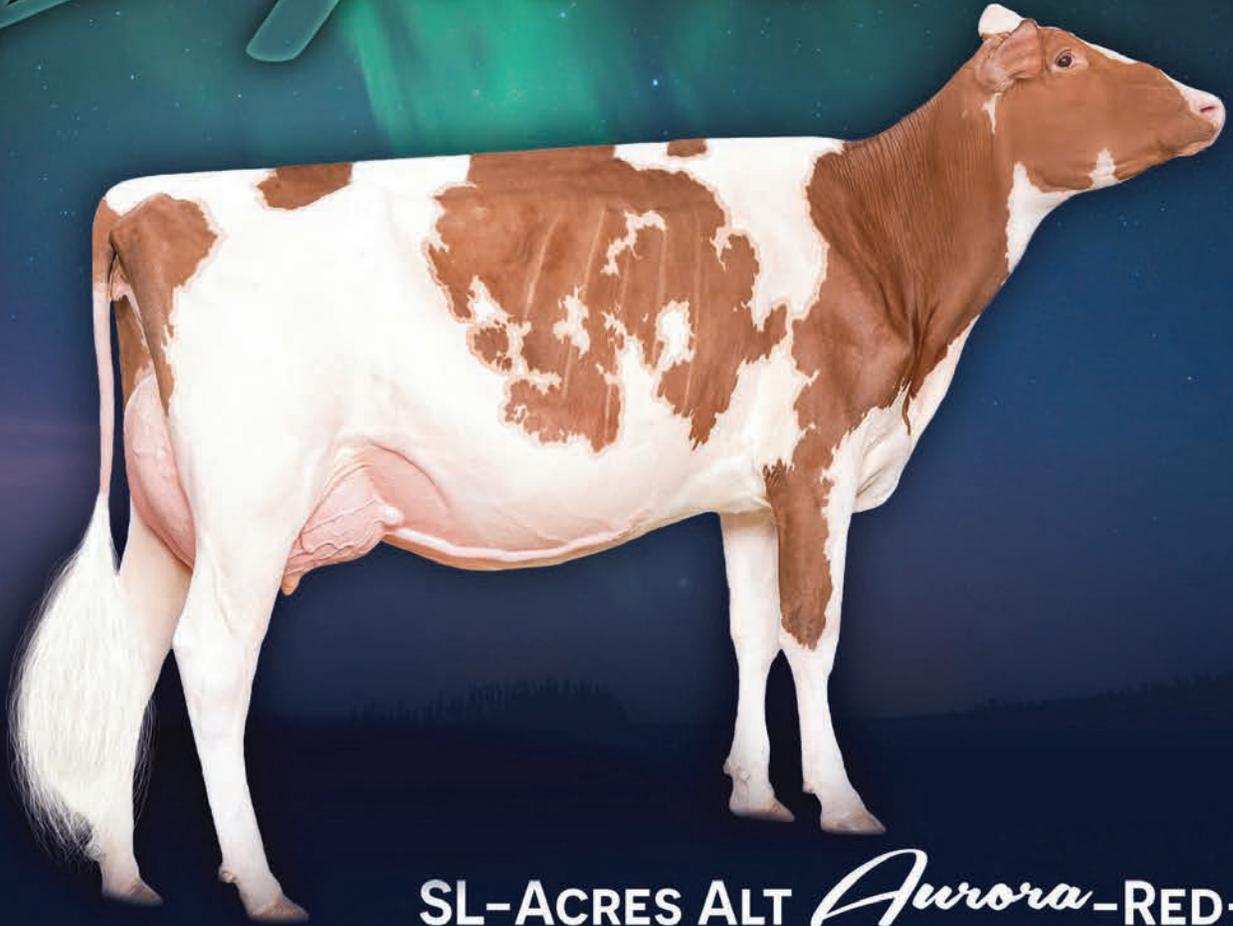

Christopher Gunst

Christopher Gunst is the 18-year-old son of Willis and Carla Gunst, Pine River. On the farm, Christopher helps with taking care of his heifers and helps make hay. As a member of the Wisconsin Junior Holstein Association, he is on the dairy bowl team, enjoys dairy jeopardy and participates in the speaking contest and other events. In addition, he shows his cattle at the local county fair, district show,

State Show, State Fair and World Dairy Expo. He play football, basketball and baseball at Weyauwega-Fremont High School and is active in his school's FFA program and his local 4-H Club.

MEET THE BREEDERS

Flower Brook Registered Holsteins

Flower-Brook Registered Holsteins is a fourth-generation family dairy farm operated by Andy Stewe in Hamburg, Minnesota. The farm milks 70 registered Holsteins and farms 200 acres of corn and soybeans. The operation is family-driven, with his wife Tanya caring for calves, their daughters Adelle and Jayde helping as they are able, and support from extended family and a part-time neighbor.

Current herd overview & recognition

We are currently milking 70 Registered Holsteins, along with two Jerseys. Our rolling herd average is 25,000 pounds, with approximately 20–30 Excellent cows at any given time and 45–50 Very Good. I have been honored to receive Red & White Premier Breeder and Exhibitor awards at Midwest Fall National more than ten times.

All-American and show ring success

I have bred and owned over 30 All-American nominations and have also had the privilege of selling additional homebred animals that went on to earn All-American nominations for others.

Breeding approach & technologies

I strictly breed for type and rely heavily on my instincts when selecting sires. I utilize IVF on my top animals several times each year to accelerate progress within the herd.

Breeding & marketing goals

My breeding and marketing goals are simple: to breed the best calves and cows possible and to market animals that I hope will perform well for other breeders. One of the most rewarding parts is seeing others succeed with animals you bred.

Cow families & sire selection

Some of my favorite cow families to work with right now include *Flower-Brook Jordy Heide-Red* (All-American Summer Junior Two-Year-Old 2023), *Flower-Brook Altitude Gin-Red* (All-American Nominee 2020), and her daughter *Flower-Brook Warrior Ginn-Red* (All-American Nominee Junior Two-Year-Old 2025). I am currently using Alpha, Architect, and Dice extensively in the breeding program.

R&W Holsteins involvement

I started with just a handful of Red & Whites, and today more than half of the herd is red. I am very proud of the progress the herd has made over the past 25 years.

Looking ahead

Someday, I would love to earn Breeder and Exhibitor honors at World Dairy Expo. Until then, we will continue doing what we enjoy most—breeding good cows and good heifers.

Luck-E Holsteins

Luck-E Holsteins is located in Hampshire, Illinois, where we farm 350 acres. The Luck-E herd was started in 1968 by Dennis and Beth Engel, and today it is proudly owned and managed by their sons, Matt and Joe Engel. Joe and his wife, Margaret, are raising eight children ranging in age from 2 to 13, making Luck-E very much a family-centered operation with the next generation already deeply involved.

Current herd overview & recognition

We are currently milking 135 cows with a rolling herd average of 26,034 pounds of milk at 4.5% fat (1,160) and 3.3% protein (867). Over the past 25 years, one out of every three Luck-E cows has classified Excellent. More than 700 animals with the Luck-E prefix have earned Excellent classifications, including two EX-96, five EX-95, and 57 EX-94 cows. Luck-E has been named Premier Breeder at the Midwest Spring National and the Ohio State Fair Red & White Show and has earned Premier Breeder and Exhibitor honors at the Illinois State Championship Show several times. Most recently, we were honored as Premier Breeder at the International Red & White Show at World Dairy Expo.

All-American and show ring success

In 2025 alone, Luck-E bred and/or had born 10 Open and 7 Junior All-American nominations, with many more earned in prior years. Notable champions bred by Luck-E include *Luck-E Altitude Attie-Red*, Intermediate Champion at the International Red & White Show in 2025; *Luck-E Merjack Asalia*, Supreme Champion at the World Dairy Expo Junior Show in 2025; and *Luck-E Advent Kandie-Red*, who was Senior Champion, Best Udder of Show, Champion Bred & Owned, and Reserve Grand Champion at the International Red & White Show in 2014. Internationally, *Luck-E Jess P-Red* was named National Champion in France at Agrimax in 2024, while her full sister, *Redsky Altitude Jazz-Red*, was the UK National Champion in both 2024 and 2025. Both were sold as embryos.

Breeding approach & technologies

Our goal is to breed high-type cows that are wide from the muzzle, through the chest, and back to the rump, allowing for wide rear udders capable of producing large volumes of milk. Type is non-negotiable for us. From there, we emphasize value-added traits such as high components, Red, Polled, and health traits. We have utilized embryo transfer for over 45 years, and all animals have been genomically tested for more than 10 years.

Breeding & marketing goals

Our breeding and marketing goals are simple: breed the best animals we can and make them available to others. Our number-one passion is the challenge of breeding each generation better than the last, and our next favorite part is selling those animals and watching them succeed for their new owners.

Cow families & sire selection

The Asia family is the heart of Luck-E breeding, with the majority of our animals tracing back to Asia one, two, or even multiple times in their pedigrees. Asia herself has more than 40 Excellent daughters and was named Holstein International Red & White Impact Cow of the Year People's Choice winner three times. The "A" family has produced state and national show winners, chart-topping PTAT animals, influential sires such as Awesome-Red and Acetylene-Red, and hundreds of Excellent cows.

R&W Holsteins involvement

Involvement in Red & White Holsteins has played a significant role in marketing our genetics and has helped create lifelong friendships around the world.

Looking ahead

Looking to the future, we are very excited for the next Best of Luck-E Sale on April 10, 2027, and for the next generation of Engel children to continue growing up, showing cattle, and remaining active in the Holstein industry.

2025 NOMINATIONS

THE KIND WE SELL!

Congratulations to all owners of Luck-E born and bred animals on their 2025 All-American honors and nominations!

2025 ALL-AMERICAN RESULTS

Listed below are the official results of the 2025 All-American contest. 155 head were entered, with 10 Group Entries.

Our 21 judges for 2025: Brian Behnke, Abe Light, Ysabel Jacobs, Jordan Siemers, Julie Hemp, Jeff Stephens, Allyn Paulson, Lynn Harbaugh, Jenna Lenhart, Jenny Thomas, Kevin Jorgensen, Chris Lahmers, Tyler Carter, Roger Turner, Matt Sloan, John Erbsen, Josh Fairbanks, Adam Hodgins, Andy Reynolds, Tyler Reynolds and Stephanie Aves-Schroeder.

All of our judges officiated at a National or Approved show in 2025. Many thanks to them for their promptness and professionalism while placing the contest. In 2025 we had 13 Unanimous All-Americans! Congratulations to all of the breeders, exhibitors and teams that help make it happen all year!
